

AMAZING ETHIOPIA

21-Day Historic and Omo Valley Route Ex Addis Ababa 20 November 2025

Venture off the beaten path and explore one of Africa's most fascinating and least visited destinations. Medieval castles, churches hewn out of solid rock, ancient temples, and nine UNESCO World Heritage sites (more than any other African country) Ethiopia is the perfect holiday and tour destination for travellers of all ages.

At the crossroad of ancient trade routes, and one of the world's oldest nations, amazingly Ethiopia was never colonized.

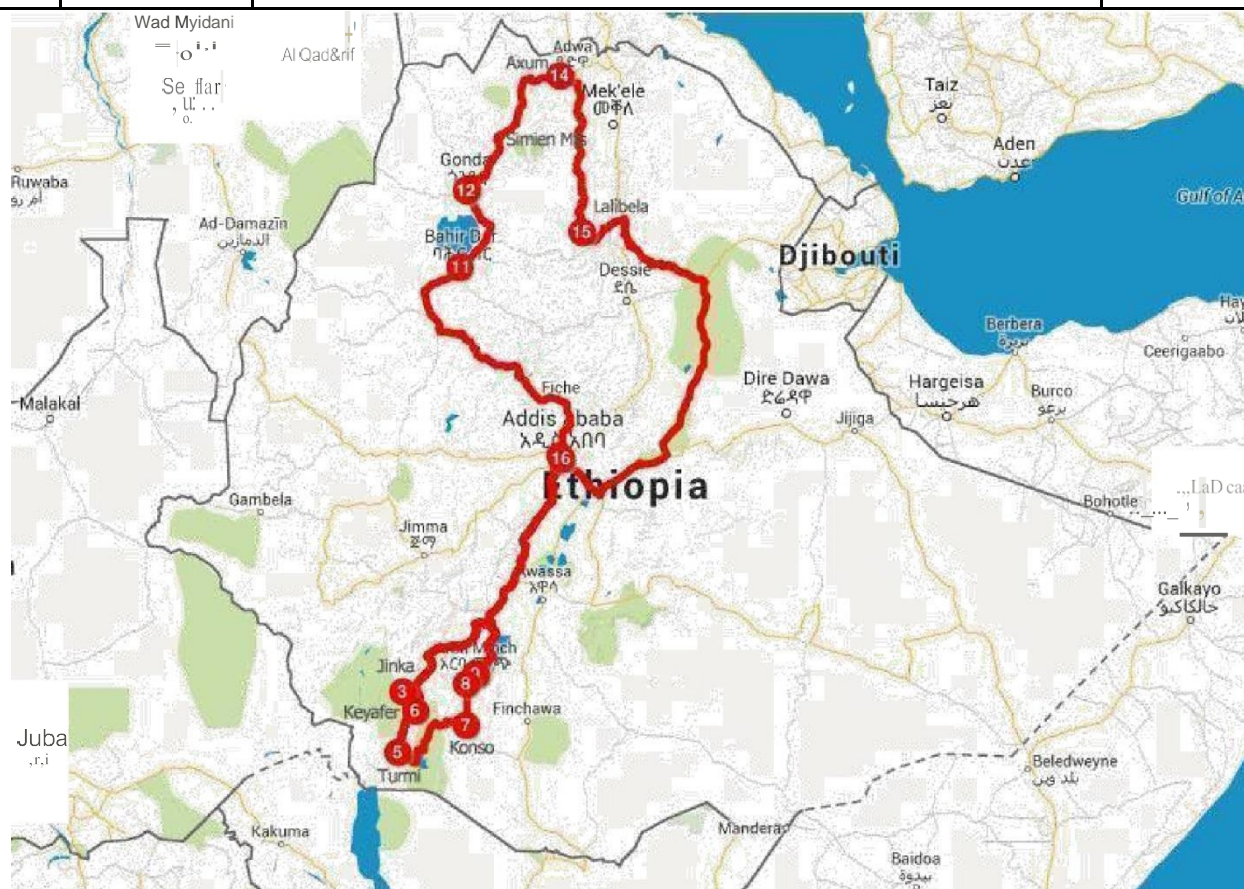

Unique cultures, natural beauty, amazing history, wonderful people: there are many reasons to visit Ethiopia.
